- Responsive Web Design
- Git & GitHub Version Control
- Rapid Prototyping & AI-Assisted Workflows

SOFT SKILLS

- Analytical Problem Solving
- Team Leadership & Administration
- Public Speaking & Presentation
- Cross-Functional Collaboration

LANGUAGES

- Indonesian (Native)
- English (Working Proficiency)

EXPERIENCE

FOUNDER & WEB DEVELOPER • TEMBUSPTN.MY.ID

Jun 2026 – Present • Yogyakarta, Indonesia

- Initiated, designed, and deployed an open-access educational web platform aimed at democratizing university entrance exam preparation for high school students across Indonesia.
- Architected and developed the responsive web interface utilizing HTML, CSS, JavaScript, and Google Antigravity workflows to accelerate development and deployment pipelines.
- Delivered an accessible, zero-cost learning portal featuring curated study materials and practice modules without paywall barriers.
- Actively maintaining domain configurations, user interface performance, and content updates based on user feedback.

EDUCATION

HIGH SCHOOL DIPLOMA IN NATURAL SCIENCES (IPA)

MA Mu'allimin Muhammadiyah Yogyakarta • 2024 – 2027 (Expected)

- Focusing on Mathematics and Natural Sciences, fostering analytical reasoning, empirical methodology, and structured problem-solving skills.
- Actively engaged in independent digital software projects, technical learning, and student leadership initiatives.

JUNIOR HIGH SCHOOL DIPLOMA

MTs Mu'allimin Muhammadiyah Yogyakarta • 2021 – 2024

VOLUNTEER EXPERIENCE OR LEADERSHIP

General Secretary • Mu'allimin Scientific Community • 2025 – 2026

Directed internal and external administrative workflows, managing formal correspondence, event proposals, and documentation across all divisions. Compiled comprehensive end-of-term accountability reports (LPJ) and coordinated assembly meetings to maintain institutional transparency and alignment.

Secretary I • IKATAN KELUARGA MADRASAH MU'ALLIMIN MU'ALLIMAT YOGYAKARTA • 2025 – 2026

Managed official communications and stakeholder documentation to support community-wide initiatives and inter-organizational partnerships. Established structured archival and reporting procedures, improving turnaround time for administrative approvals.

Organizing Committee Member • School Orientation Week FORTASI • July 2025

Collaborated within a cross-functional committee to organize onboarding programs, logistics, and guidance sessions for hundreds of incoming students. Ensured operational timelines and group activities ran smoothly through effective field coordination and team communication.
